- Technical details

Features

- Please turn on the battery switch to position "I" when you're charging.
- The LED indicator of the AC/DC charger will change from Red to Green if the battery is fully charged.
- TalentCell Rechargeable Lithium-ion Battery Pack is designed specifically to integrate with our Light bars, Flexible LED Lights, Digital cameras, Booth lighting, Bluetooth speaker, Smartphone, and most 12V or 5V electronic devices.
- The Lithium Ion Battery Pack can be recharged without limitations, as the battery is designed for a slow charge process (6 hours for full charge), which helps the battery pack last longer.

Notes

- Do not use the 12V lithium battery pack in places with high humidity or where it may be exposed to wet.
- Do not modify or disassemble the power bank.
- Do not throw the 12V power bank into fire or water.
- Do not place the power bank during charging on flammable materials such as in the bed or carpets.
- No long-term placement in a low voltage state. In order to extend the service life, it's suggested charge every three months if long term storage.

Technical details

Model	YB1206000-USB	Capacity	11.1V 6000mAh
Input	12.6V/3A Max	Weight	About 380g
Output	12V (voltage range is 12.6-9V) /3A Max. 5V/2A Max
